Day 9 - Gingerbread Lacing Cards

Thank you for downloading this printable—it's day 9 of the [24 Days of Christmas Printables](#)!

These lacing cards require a little more preparation than almost all other printables in this series: Print, laminate, cut out, and punch holes along the edges. You don't have to follow the circles I put on there, they're more of a general guide.

I'd love to see you use the printable! Post a picture on my [Facebook page](#) or use hashtag #sffkadventcalendar on [Instagram](#) or [Twitter](#)!

Please make sure to follow my terms of use:

You can use this printable for your own personal and classroom use.

Don't share the file with others — send them to the [landing page](#) for the 24 Days of Christmas Printables or to [today's post](#)!

Don't alter the printable, claim it as your own, distribute or sell it! Don't store it on your website or anywhere else online!

Feel free to blog about my printables or to share pictures of how you use them as long as you give credit to Simple Fun for Kids.
